Wedding Dresses (01.2009)

“Red Hot Love”

The magazine’s cover model is featured wearing a one-of-a-kind purple-enameled floral tiara in antiqued 18k yellow gold with moonstones, produced as part of a capsule collection in collaboration with fashion designer Erin Fetherston. The article features a model wearing the black-enameled version of the floral tiara and a platinum 3-stone ring with a 4.45 ct fancy-yellow square-radiant cut diamond center flanked by 1.15 ct tw step-cut trapezoid diamonds.
