

Amy Poehler Interview on Late Night with Jimmy Fallon  
(5.6.2009) – New York City, NY

Comedian and actress Amy Poehler appeared as a guest on Late Night with Jimmy Fallon to promote her new NBC sitcom, “Parks and Recreation.” Although she is better known for her funny faces and witty rapport, it was hard to look past her stunning appearance on this night. Amy accessorized a beautiful purple dress with an exquisite one-of-a-kind 3-stone ring by Sasha Primak. The ring features a 17.33 ct octagonal-cut Columbian emerald and 1.25 ct (total weight) kite-shape diamond side-stones in a handmade platinum and 18k yellow gold setting.
