

Amy Poehler Interview on the Late Show with David Letterman  
(7.24.2009) – New York City, NY

Amy Poehler recently visited with David Letterman to discuss, among other things, her recent visit to the White House to meet President Obama. Looking more beautiful than ever, Amy captivated the eyes of watchers when she demonstrated the “fist bump” greeting she gave upon meeting the President. Upon doing so, she revealed a remarkable Sasha Primak diamond cocktail ring from the “Sundial” Collection.
